

## Presidents Thoughts

As I write this the 2011 National elections have just been held. Elections bring with them new blood and is democracy's way of revitalising leadership and offering up new ideologies for consideration.

The traditional Christmas break is a time of reflection and it may just be that you are keen to add value to IAME in your local area. Your NZ Council is keen to welcome members who wish to contribute, particularly younger members.

Like our industry which is always looking to improve, so should organisations. Your Council is aware we could be more effective in some regions and are looking for members to contribute to our local branch networks in Auckland, Bay of Plenty, Wellington and Canterbury. If you are keen to contribute please feel free to contact me or any of our Regional Councillors whose names and details are included in the section of the journal. As we head into the 2012 year I wish you all the best for the coming year.

Kind regards,

**Colin Wisker,**  
New Zealand President
