

QLD BRANCH ACTIVITIES

Bowden's Own Car Collection

Bowden's Own have invited those IAME members who missed out on the last car collection tour, to come and join them for a very special viewing of the Bowden Car Collection.

It is one of Australia's finest collections with over \$20 million in significant racing, sports and muscle machinery. The 'feature of the day' will be the original cars as raced by legendary greats like Moffat, Brock, Geoghegan, Johnson and Beechey.

Our tour guide Dan Bowden, will be sharing his family's great passion in relaying many of the interesting stories about these priceless cars. The tour will last just over 3 hours and will be followed by a good old fashioned Aussie BBQ.

While you're there be sure to check out all the great car care products Bowden's Own has to offer.

Date: Sunday 20th June 2010

Time: 9.00 am (Do not be late!)

Location: The BP Service Station at the Chevallum/Buderim exit, Northbound side of the Bruce Hwy. You will then travel in convoy to the Collection location.

Cost: \$30.00 per person (Payable on the day)

Bookings: Jean (07) 3274 5564

Managing an Outstanding Repair Business

Join International Business Trainer Martyn Southall as we take a closer look at your business processes and profitability.

The automotive repair and service industry is highly competitive. It is a difficult industry in which to succeed and only a very few businesses ever achieve their full potential.

Please refer to the Training section of the journal for more information.

Test & Tag in Queensland

Did you know that you are required to Test & Tag every six months?

Why pay someone else to do a job that you can do yourself. The IAME is now conducting Test & Tag training for workshops in Queensland.

Please refer to the Training section of the Journal for further information and course dates. Please note that we will be conducting courses outside of Brisbane throughout the year so stay tuned.

QLD BRANCH ACTIVITIES

Australian Fuel Injection
Fit & FORGET,
NOT Fit & REGREY!
Your One Stop EFI Shop!

Part One - Air Systems + Part Two - Fuel Systems

PART ONE training will cover; Air Flow Meters, Air Control Valves, Sensors and Emission Control. You will also receive a 60 page workbook and a Certificate of Course Attendance, both being a valuable asset after the night.

PART TWO training will cover: Fuel Tanks, Internal/ External Fuel Pumps, Injectors, Injector systems, Regulators as well as a brief session on Common Rail Diesels, together with common faults on problematic components associated to specific vehicle makes and models. This training presentation is "Part Two" of a four part programme, designed to help you with timely diagnosis of most components associated with the Fuel system.

Hillclimbing

with Warwick Hutchinson

And his Formula Libre Hillclimb Open Wheeler. Hillclimbing is a branch of motorsport where drivers compete against the clock to complete an uphill course.

Join us for a night with Mr. Warwick Hutchinson and his "Ultimate Power Steering" open wheeled race car. Warwick will showcase his rotary powered Modified Formula Ford – Van dieman RF92 and how he got involved in the sport of Hillclimb.

Warwick's best time at the Mt Cotton Hillclimb to date is – 39.82 Seconds. In the 50 Year history of Mt Cotton Hillclimb only 14 people have run around the track in under 40 seconds and Warwick is now a member of this sub 40 second club.

Date: Wednesday 30th June

Time: 6.30pm for a 7.00pm start

Location: Ultimate Power Steering
Unit 31, 193-203 South Pine Road,
Brendale

Bookings: Brisbane Office on (07) 3274 5564

A Night with Castrol Edge Racing & Victor Bray

The IAME is continuing to showcase the wide range of career options available to apprentices and we are pleased to announce this very special apprentice only visit with Victor Bray and the Castrol Edge race cars.

Victor Bray is one of the most successful and popular figures in motor sport. Victor and his 57 Chev have powered their way to 6 Australian Top Door Slammer Championships and in June 1996, Victor leapfrogged world standards to become the driver of the quickest and fastest Doorslammer on the planet. He continues to set records and grows in popularity internationally.

Date: Tuesday 6th July @ 6.30pm for a 7.00pm start

Location: To be advised

Bookings: Brisbane office to secure your place (07) 3274 5564
