

## THE 2012 MUST HAVE FOR SA & WA DRIVERS!

Registration labels are no longer issued in these states and the fines for driving unregistered are substantial. Here is a chance to fulfil a much needed and requested market and promote yourself at the same time.

These great looking labels are designed to be placed on the Inside of vehicle, such as a windscreen, where it will remind the driver of when registration is due to expire. The labels can be personalised with your business details or you can use ours for low volume requirements.

LOW cost for HIGH customer impact.

1,000 Personalised Labels - \$200.00 (plus P & H)

100 IAME Generic Labels - \$ 20.00 (plus P & H)
