

MEMBERSHIP BENEFITS

INDIVIDUAL IAME BENEFITS

▶ IAME Representation

The IAME represents the interests of Members via actively communicating with Governments to achieve desired outcomes of legislative review.

▶ IAME Training and Assessments

The IAME offers a range of training courses to facilitate the knowledge growth of members, who wish to develop their expertise including; recognition for new legislation and updating qualifications.

▶ IAME Trade Events and Seminars

Members are invited to attend a wide range of technical and information sessions held at many varied locations throughout Australia.

▶ IAME Car Purchase

Members gain access to special pricing on all Mitsubishi and Volkswagen commercial and some passenger vehicles also included.

▶ IAME Hire/Rental Cars

IAME Members receive great rates when they book their car hire with Europcar. All year round, members also receive a damage liability fee of \$770 on all standard vehicles (reduced from \$3,300)

Phone: Europcar on 1300 13 13 90 and quote: 50512450

▶ The Automotive Engineer

A well respected trade journal designed to keep members informed of technical and industrial information. The journal is the IAME's key communication tool for new products, services and benefits.

BUSINESS IAME BENEFITS

▶ IAME Print Shop

For all your printing and stationery needs, the IAME has established a printing facility, specifically for the Automotive Business and individual needs, focusing on quality service, competitive rates and unique products

▶ IAME Software

With AMPL Software, the IAME offers Members access to the LEADING HAND Workshop Software designed to effectively manage business operations and customer relations. Easy purchase or rental options are available.

▶ IAME Software

With Boyce Automotive, IAME Members have access to a large range of technical data, wiring diagrams, fault codes, belt drives and product support. Flexible rental options are available.

▶ IAME Products

The IAME offers Members a range of test equipment, tools, reference and technical manuals, signage as well as workshop consumables.

The IAME is a proud member of Capricorn Society Ltd. Visit the IAME Web Site for details and opportunities to become more involved in your industry, Member services and links to associated industry bodies. www.iame.com.au

The IAME continues to develop membership benefits, giving careful consideration to selected products and services, that translate into tangible benefits to members that are not widely available to the general public. IAME benefits are designed to save money on products and services that more than offset the cost of membership. The growing range of products is selected to benefit individual members and business operators alike.
